World & Community

Pray for Justice. Pray for those who are marginalized and oppressed. Ask God to show them that He is there and He cares for them. Pray for peace and hope for those who are suffering from injustice. Ask God to show you and the world what is wrong and what is right. Pray that God would use you to show the world love, care, and compassion. Ask God for his redemption and to make all things right.

(Proverbs 21:15)
